HELP SEND A STUDENT TO THE GALA

There is no better way to show your students what the Foundation is all about then at our annual Foundation Gala! Help us inspire our youngest members with the great work our Foundation does for the profession and develop the next generation of Foundation leaders, donors and ambassadors by purchasing tickets or a table for your students who will be attending FNCE® this year.

"The Foundation Gala is a great opportunity to meet and network with Academy leadership, recipients of scholarships or grants, and RDs from across the country. Tickets for this event also help fund countless Foundation scholarships, grants, and fellowships, which make it possible for

undergraduate students and dietetic interns continue their journey towards becoming Registered Dietitians. I received a Foundation scholarship during my Dietetic Internship, and I'm not sure I would have gotten through that period of my life without their generous financial support. My scholarship may not have been possible without past-Galas, which made it that much more special for me to be able to attend last year. The Foundation Gala is the only event where you get to enjoy excellent food and live music, while helping to fund the dreams of future-RDs."
